

INFORMATION AND COMMUNICATION TECHNOLOGY AGENCY OF SRI LANKA

Request for Expressions of Interest

Assignment Title: Designing and Organizing a Capacity Building and Experience Sharing Programme on Digital Health

Contract No: ICTA/GOSL/CON/QCBS/2016/154

Information and Communication Technology Agency of Sri Lanka (ICTA) is empowered to implement ICT development strategies and programmes, in both the government and private sectors, including Legal & Policy reforms in Sri Lanka. The agency functions under direct purview of the Ministry of Telecommunication and Digital Infrastructure.

Information and Communication Technologies (ICTs) are increasingly being recognized as essential tools of development. ICTA is now aligning its programmes and projects towards a new vision aiming to accelerate its ICT based development in Sri Lanka. ICT Agency of Sri Lanka has facilitated the implementation of several e-health solutions in the government health care institutes with the support of the Ministry of Health and Provincial Departments of Health Services. Taking these initiatives forward, ICTA has planned to strengthen Electronic Medical Records (EMR) systems and introduce new software systems which are demanded by the health administrators and policy makers to improve the quality and efficiency of the healthcare service delivery in the country.

A three year project has been initiated to implement health information systems in 300 key government hospitals throughout the country during the period from 2016 to 2018 in close collaboration with the Ministry of Health. National Steering Committee has been appointed to steer the project and will continue throughout the project period.

ICTA requires the services of a consultancy organization/firm to provide services to design and organize a capacity building and experience sharing programme on digital health in a live environment for obtaining an exposure on modern technology used for digital health related programmes.

ICTA now invites Expressions of Interest (EoI) from eligible consultancy organizations/firms to express their interest for this assignment. EoI must include the requested information as specified in the respective "EoI Information Form" along with documentary evidence in support of core business and years in operation, financial, business and administrative strength, qualifications in the field of the assignment, experience in carrying out assignments of a similar nature and complexity, technical and managerial organization of the firm, technical capabilities and appropriate skills of key staff of the organization, availability of facilities and other relevant information.

The "Brief Scope of Services" and "EoI Information Form" documents are now available at ICTA, for further information interested parties may download these documents from the procurement link of the ICTA website: <https://www.icta.lk/procurement>.

Consultants will be selected in accordance with the procedures set out in the Government Guidelines- Selection and Employment of Consultants based on Quality and Cost Based Selection. All interested parties are informed that all documents shall be issued in English language.

Interested parties may obtain further information from Mr. Gamini Karunaratne, Director-Procurement and Head-Administration, Procurement Division of ICTA by contacting via Phone: +94 11 2369099, Fax: +94 11 2369091 and email: procurement@icta.lk.

Expressions of Interest including all requested information as specified in the "EOI Information Form" must be delivered no later than **November 03, 2016** either: (i) electronically to; procurement@icta.lk or (ii) hand delivered or (iii) by post to the address : Director-Procurement and Head-Administration, C/o, Managing Director/Chief Executive Officer, ICT Agency of Sri Lanka, 2nd floor, 160/24, Kirimandala Mawatha, Colombo 05, Sri Lanka.
