

INFORMATION AND COMMUNICATION TECHNOLOGY AGENCY OF SRI LANKA

REQUEST FOR EXPRESSIONS OF INTEREST

Assignment Title: Procuring a consultancy firm to identify and shortlist most viable eServices and mobile applications for government organizations

Assignment Number: ICTA/GOSL/CON/CQS/2017/03

Information and Communication Technology Agency of Sri Lanka (ICTA) is the apex government agency for Information and Communication Technology (ICT) in Sri Lanka which has been mandated to take all necessary measures to implement the Government's Policy and Action Plan in relation to ICT.

ICTA has implemented series of key projects with the intention of providing government services to citizens, in a friendly and an efficient manner by re-engineering and technologically empowering government service delivery to citizens. Since 2009, ICTA has developed more than 50 eServices offered by approx. 23 government organizations. Development of mobile applications is treated as a smarter extension of the eServices or a direct solution catering to the services of the government organizations. The mobile application for Train Schedules was the kick-off under this segment and at the moment, there is a range of mobile apps that are in use with services offered by different government organizations.

With the increasing use of ICT within the country, rising ICT requirements of the government organizations and with the aim to position the county at a higher rank in the international e-Gov index, ICTA has increased the pace of eServices and the mobile application developments with a clear selection among many off-line services offered by the respective government organizations. Hence, ICTA intends to procure a consultancy firm to carryout identification, develop scope of work and prioritization of potential eServices and mobile applications for the respective government organizations, utilizing an appropriate information capturing mechanism.

ICTA now invites Expressions of Interest (EOIs) from firms that are willing to undertake the above assignment. EOI must include requested information as specified in the "EOI Information Form" along with documentary evidence in support of core business and years in business, Financial, Business and Administrative strength/standing, qualifications in the field of assignment, experience in carrying out assignments of a similar nature and complexity, technical and managerial organization of the firm, technical capabilities and appropriate skills of key staff of the organization and other relevant information.

The "Brief of Scope" and "EOI Information Form" documents are now available at ICTA for further information. Interested parties may download these documents from the website <https://www.icta.lk/procurement/>

Consulting firms will be selected in accordance with the procedures set out in the Government Guidelines: Selection & Employment of Consultants; following Consultant's

Qualification Selection (CQS) method. All interested parties are informed that all documentations shall be in English Language.
