

Information and Communication Technology Agency of Sri Lanka

## **REQUEST FOR EXPRESSIONS OF INTEREST**

**Assignment Title: Software Quality Assurance Consultant for System development of Social Registry and Integrated Management Information System (IWMS) Project for Welfare Benefits Board.**

**Assignment Number: ICTA/GOSL/CON/IC/2017/40**

As a national policy, government has identified that, key citizen services are required to be integrated through integrated development projects under Digitization of government national program for fostering social integration, peace, growth, and poverty reduction. In this context Information and Communication Technology Agency of Sri Lanka (ICTA) intends to use ICT to improve the reach and responsiveness of social welfare services, reduce transaction costs to government, make government more transparent and accountable, and address the urgent needs of poor communities and isolated regions by establishing a proper integrated information system.

ICTA and the Welfare Benefits Board functioning under the purview of Ministry of Finance have been collaboratively working on the implementation of Social Registry and Integrated Management Information System to improve efficiency and effectiveness of the social welfare programs.

ICTA intends to obtain the service of an Individual consultant (Local) to carry out both quality assurance and software quality related activities of development of the Social Registry and Integrated Management Information System is a component of which social registry and integrated MIS of one stop shop for social welfare programs (Samurdhi, Allowance for disabled persons, etc.) implemented under the government of Sri Lanka. Estimated duration of the consulting is 08 months.

ICTA now invites Expressions of Interest from eligible, qualified and experienced Individual Consultants (Local) who are interested in the assignment. Interested consultants are requested to submit their responses along with details of qualifications, previous experience in carrying out similar assignments, their technical capabilities, and appropriate expertise. Documentary evidence should be submitted in this regard along with the following.

- (1) Detailed Curriculum Vitae/Resume
- (2) Cover letter highlighting relevant experience, expertise etc in the respective area
