

Ministry of Digital Infrastructure and Information Technology

Do you want to be a part of the Digital Technology Revolution?

Own and operate a revamped Nenasala 2.0

“Center for Digital Life”

The Information and Communication Technology Agency of Sri Lanka (ICTA), under the guidance of the Ministry of Digital Infrastructure and Information Technology, wishes to introduce ‘Centre for Digital Life’, Nenasala 2.0 by inviting applications for franchises throughout the island. Current Nenasala operators are eligible to apply for franchises and will be given higher priority in the selection.

Why would you want to partner? What’s in it for anyone interested?

- Ability to utilize the “Nenasala” brand name in your franchise store
- Partnership with multinational and local conglomerates
- Ability to deliver newest eservices to citizens
- Be the intermediary of providing digital benefits to the society
- Opportunities on engaging digital transformation initiatives.
